

July 2011

Greetings all!

Hope you all enjoyed a nice weekend and kept cool and hydrated in these record-breaking summer temps. A special thanks to all who attended and assisted at S.I Yankees Military Appreciation Day, Sunday, July 24th, 2011 - nice to see you all - a great time was had by all! Many signed our "Thank You For Serving" boards (thanks Susan & Adele) and kids loved the free flags (thanks Luigi & Jeff). Pat's 'First Pitch' sequence concept was again well executed - Al Maher reprised his role from the greatest generation (WWII) - as did Bob Skibar and Luigi Masu. JROTC cadets were also a proud part with special tributes. JROTC recent high school grad Jessica Bryan who created the program "Step Into Their Boots" garnered much public interest - and a great display (including Bob Skibar's 'boots!').

With end of July upon us, we're gearing up for events leading up to the 2011 NYC Veterans Day Parade on 11-11-11!

We call upon you again for your support and volunteerism to enable us to produce the very best events possible - to honor our veterans and active duty military. As always, we are driven by patriotic pride, passion and spirit - with such dedication and determination - thank you for making such a difference in our world!

Please continue to spread the word for participation, volunteerism, sponsorship, etc. In coming meetings, we will have information to share for advanced planning.

Radio Show

"The Veterans Corner" broadcasts every Wed., 12:00noon, WSIA 88.9FM from College of Staten Island.

Do listen - if you get reception in your area. Otherwise, we will be sending downloads of shows.

UWVC Information:

Be sure to check UWVC web site regularly for updates/announcements:
